PRELIMINARY SCHEDULING ORDER

On August 24, 2012, the Government filed a "Memorandum Regarding Defendant Groupings." Pursuant to the court's on the record direction on August 22, 2012, certain other steps need to occur to keep the case proceeding efficiently. Accordingly,

IT IS ORDERED that by **September 14, 2012**, the Government shall file a "Memorandum of Case Management," including the areas of topic mentioned during the August 22, 2012 status conference, and any other relevant topics in the Government's discretion.

IT IS FURTHER ORDERED that by **September 14, 2012**, Defendants shall submit a suggestion as to a proposed liaison counsel for each of the four groups submitted by the Government. Liaison counsel will operate as the primary contact and organizational leader for each of the groups, but will bear no responsibility for formally representing each of the Defendants within the group. Liaison counsel shall participate in every status or telephonic conference, and nonliaison counsel shall not be required to attend the conferences. Ideally, the attorneys within each group shall agree among themselves as to the nomination of the proposed liaison counsel, and the proposed liaison counsels per group shall themselves file notice of such agreement by September 14, 2012. In the event a group cannot agree, the differing proposals shall be submitted by each attorney who will be, essentially, nominating himself, along with a list of the other group members who agree with that nomination.

The court will consider the nominations and appoint liaison counsel, with any further instructions, by September 19, 2012.

IT IS FURTHER ORDERED that newly appointed liaison counsel shall each file a reaction to the Government's "Memorandum of Case Management" by **September 21, 2012**. The reaction filed by each liaison counsel shall include summaries of all reactions by the attorneys within their group, as well as any negative reaction(s) there may have

been to the grouping proffered by the Government, and the reasoning underpinning such reactions.

The court will conduct an in person status conference on **September 24, 2012 at 9:30 a.m.** Liaison counsel shall be required to attend.

Finally, in an effort to streamline these proceedings, IT IS ORDERED that the parties shall refrain from filing any nonessential motions until further order of the court, which shall be after the September 24, 2012 status conference.
